**NOTICE TO SHAREHOLDERS**

Luxembourg, 25th March 2024

Dear Shareholders,

We hereby would like to provide you with some information related to your investment in Danske Invest SICAV (the “SICAV”) in relation to the share-classes of the below funds:

- Global Inflation Linked Bond
- Global Inflation Linked Bond Short Duration

Per the prospectus:

Orders received and accepted by the registrar agent by 3PM Luxembourg time (defined as “T”) are ordinarily processed the same business day. Settlement of subscriptions and redemptions occurs no later than 3 business days after the orders have been processed.

We would like to inform you that

Until 18th April 2024, an order received on T will be processed the same business day and settlement of subscriptions and redemptions will occur 3 days after the orders have been processed.

From 19th April 2024, an order received on T will be processed the same business day and settlement of subscriptions and redemptions will occur 2 days after the orders have been processed.

The rationale for implementing this change is an alignment of the settlement cycle of the subscriptions and redemptions with the settlement cycle of the underlying securities within the funds.

Yours faithfully,

The Board of Directors of
