Per the prospectus:

We would like to inform you that

Until 18th April 2024, an order received on T will be processed the following business day and settlement of subscriptions and redemptions will occur 2 days after the orders have been processed.

From 19th April 2024, an order received on T will be processed the following business day and settlement of subscriptions and redemptions will occur 1 day after the orders have been processed.
